Prairie Band Propane Policy: All renters must pay for propane at the time of delivery or in the office prior to delivery. No deliveries will be made without prior payment.

All New Customers are required to pay at delivery until credit has been established. Once established, we will allow the charge of one delivery (200 gallons), with payment due within 30 days from the date of the invoice.

Any balance on your account past 30 days will incur an interest fee of 1 ½% per month, which is 18% per annum.

Any account past due for 60 days will be subject to a \$10.00 per month service charge. This will be added to your account balance to cover the expense incurred for past due letters and phone calls made.

Any account past due for 60 days will be subject to referral to an outside collection agency.

All returned checks are subject to a \$35.00 return check fee.

Our Out of Gas Policy is attached for your convenience.

All LP gas tanks owned Prairie Band Propane must obtain their propane from us. **It is illegal** for another Propane Supplier to put propane into our LP gas tanks.

The minimum delivery is 200-gallons. In order to receive the discount, your account must be paid within 10 days of delivery. If you are a new customer, you will need to pay at delivery to receive the discount.
